

Herbicide, MSMA-6L Liquid
G28-903298 / 1405359
SPECIFICATIONS

- Herbicide, MSMA-6L Liquid, consisting of 6lbs. of Monosodium Methane Arsonate per formulated gallon. Formulation shall not require additional surfactant for wetting. Labeled for ROW use. 15 gallon container.

AWARD:

Award will be made "ALL OR NONE" to the lowest responsible bidder meeting all specifications.

- All herbicides shall be delivered in returnable-refillable 15 gallon polyethylene containers.
- All 15 gallon containers shall be consistent in size and shape, be natural in color, have one-gallon measuring increments, have handling rings top and bottom, and have a convex bottom with a sump in the center to allow complete removal of all material.
- All containers shall be equipped with a micro-matic valve and dip tube to facilitate complete removal of all material. There shall be only one opening which accommodates the micro-matic valve and dip tube. The container shall be vented via the micro-matic valve; there shall be no additional external venting.
- All containers shall meet all federal and state laws and regulations.
- All containers shall be sealed and made tamper evident.
- All containers shall have a permanent number affixed to the container to facilitate tracking.
- All empty containers shall be picked up for return within four days of notification.
- Product shall be ordered and shipped in pallet quantity, nine (9) 15 gallon containers per pallet. Multiple products may be ordered and shipped together on one pallet in order to meet pallet quantity requirement.

Empty containers will be returned in pallet quantities as well.

FREIGHT:

Bid is F.O.B. destination. Any freight charges must be included in the bid price.
